

15,000 COATS for 15,000 KIDS

Join S.M.A.R.T. and local business and community leaders in our city-wide Coat Drive. An epic launch event for distribution is planned. A child's portrait the size of a football field will be produced using the 15,000 coats by international artist Jorge Rodriguez Gerada. The initiative promises to turn awareness into action. Your coat counts!
